

Happy Birthday Class of 65

Class of 65,

With the BIG 60TH BIRTHDAY PARTY less than 2 months away it's time to firm up some plans. It is still planned for Sept 22nd at Pa-Co-Chu- Puk pavilion at Ridgway State Park. The pavilion is reserved from 9am to 9pm, and we plan on eating at apx 1pm. So show up early and stay til late. As you can see on the reverse side there is plenty to do at this site. Also keep in mind, there is an entrance fee for each vehicle entering the park.

Because of the limited responses at this time, we are unsure of what we'll be eating. Smaller numbers mean different kind of catering. So if you are planning on attending and haven't notified us please do so as soon as possible. We need a commitment from you by Sept. 1st. Please send your confirmations to msh65reunion@montrose.net or MHS Reunion, PO Box 610, Montrose, CO 81402.

There are still a lot of classmates out there we have no addresses or phone numbers for. Could you please contact your old buddies from high school and ask if they have gotten an "invitation" to the birthday party. If they haven't, ask them to contact us with address, phone number, or email.

We will keep you updated on the forum page of the class of 65 web site.

Sincerely,
Class of 65 Reunion Committee
